## PAHOKEE

The Pelican Bridge Club was entertained Thursday night at the home of Mr. and Mrs. L. L. Shirley by A. P. Havens and Miss Mary Huggins.

A Tennis League has been organized, taking in Pahokee, Clewiston, Shawano, South Bay and Everglades Experiment Station, and Canal Point has been asked to organize a four-man team and join the league. Matches were played at the experiment station Sunday and are scheduled for each Sunday hereafter. Sam Woodham, E. G. Kilpatrick, Arthur Havens and V. C. Denton are members of the Pahokee team.

Mrs. C. A. Yarbrough will have charge of the program at the meeting of the W. M. S. of the Baptist church Monday afternoon, Mrs. S. J. Jones, Tuesday, Mrs. Mary Russell Wednesday at prayer meeting hour.

The officers of the intermediate B. Y. Y. U. will meet at the home of Mrs. Ira York Thursday night. Plans for a Christmas program will be made. All officers are urged to be present.

Mrs. C. F. Fine of Pahokee, who

was ill at the Lake Park hotel, is able to be up again.

C. E. Chapman of Pahokee motored to Plant City Saturday, bringing his son Jack back with him. Jack returned to Plant City Sunday.

Mrs. Ira York is opening a furniture store in Pahokee. Mr. and Mrs. Jim Dudy and family were week end visitors of Pahokee. They were visiting Mr. and Mrs. J. E. Hawkins and family of Pahokee.

Harvey Guthrie of Clewiston is visiting in Pahokee. Mrs. Crocker and son Jack and Mrs. Moran and daughter Lily, Mrs. Parker and Mrs. Ira York, motored to West Palm Beach Monday, where they did some shopping.

The Epworth League of the Pahokee Methodist church gave a winter roast at Bacon Point Friday night.

The only car-kid snap beans shipped in January of 1930 were of 321 cars. Likewise Florida was the only state that had car-kid snap beans for sale in February 1930. In March of 1930 Florida sold 300 solid cars and its only competitor was Texas, which had 18 cars.

## A GREAT SALE

Finer Women's Smart Shoes

Imnumerable snappy styles. Regular \$5 and \$6 shoes. You will find every popular style and shade for smart complements to your new season frocks. Black, Brown, Blonde and White. Kids.

There are Pumps, Straps and Oxfords for street, business and dress wear.

**\$3.45**

New styles of Dresses, Millinery and all kinds of Ready-to-Wear, for the "Entire Family" are arriving daily. We invite your inspection.

## PAHOKEE HIGH

The gym is being painted and cleaned and basketball practice will begin some time next week. Many girls are going out for basketball and we hope to have a good team. Miss Young, who will coach the girls' team, talked to the girls today and medical slips were given out to be filled by the physician.

Anna Stackhouse. The seniors bring our most important class we are starting with them in giving the nick names of the pupils of Pahokee high school. They are:

Mary Miliken, "Maria."  
Grace Mahan, "Gracie."  
Frances Ratley, "Big Jim."  
LaVon Parker, "Bonnie."  
Arzella Bennett, "Little Bit."  
Ruby Crocker, "Bobby."  
Carolyn Mock, "Gran'ma."  
Reeves Fritchie, "Bully."  
Thomas Elliott, "Tommy."  
T. A. Bass, "Teboe."  
C. L. Wilder, "Tubby."  
The juniors come next. Watch for them. Mary Baker.

### SOCIAL NOTES

Hazel Elliott. Anna Stackhouse was absent from school Monday because of sickness.

Margaret Hooker was a visitor in Pahokee Sunday. Grace Adams from Glenwood, Ga., has enrolled in the ninth grade.

Ellis Davis spent Sunday in Belle Glade and South Bay. Beth Dacene of Minneapolis, is a new pupil in the sophomore class.

Mr. Speer's agricultural room has been improved greatly by the addition of a book case and several new tables.

### SEVENTH AND EIGHTH GRADES

The seventh and eighth grade girls, who play on the junior basketball team, have collected funds with which they will buy a basketball.

Horace Urvan suffered a broken collar bone Wednesday.

We are all very busy getting ready for the six weeks' test.

At the weekly meeting Tuesday night, December 2, of Troop 22 of Pahokee, it was decided to put off the hike that had been planned for the end of this week for two weeks. It was necessary to do this because of other things that had been planned. We had two new applications for membership, Jackson Lamb and Larry Lamb. Larry Lamb passed his Tenderfoot test. We now have three full patrols and will soon have a full troop.

Edward Thompson, Sarber.

### EVENING OF FUN

The Pahokee Women's Missionary Society of the Methodist church is sponsoring an evening of entertainment Friday, December 5, in the church building. One of the features of the evening will be a mock Christmas tree. Refreshments will be served. The entertainment will be under the direction of Mrs. E. J. Schroeder and Mrs. Duncan Padgett. You are invited to come and enjoy an evening of fun.

## Barbarians' Weapons Covered With Gold

London.—The American gaucster, with his expensive machine guns, is a conservative when it comes to the fierce, barbaric tribes of 1800 years ago in expensive weapons, at least. An exhibition of "Art in the Dark Ages" here reveals the savages' gold jewelry in their weapons. One chin chain used a spur of solid gold weighing more than 12 ounces, highly decorative gold-mounted daggers, an iron spearhead with a hilt of red cloisonne enamel on a gold base above the mouth, and were a gold collar of red enamel on most oblong plates embossed with stones and figures.

Neither was his horse neglected. It was provided with a set of gold trappings with gold rivets. These rivets were removed from a tomb of a Lombard chieftain who led his warriors across the Danube in 568 and began the conquest of Italy.

## Proving That One Can Be Too Nice to a Cop

Tokyo.—There's such a thing as being too polite, as seven Tokyo fishermen have found to their sorrow.

The seven had been in the habit of sampling in the back of a truck which took them to the central fish market early each morning. The other day the driver of the truck was stopped for speeding, and the fishermen were sure that their illegal activities had been observed. The policemen had failed to observe them, however, and credited the truck driver to proceed.

In their relief the fishermen asked and bowed several times to the officer. Now, even in Japan, a traffic and this particular officer, growing suspicious, commanded them to tail and followed the truck, overtaking it in time to catch the gamblers red-handed.

Dona Tabe was absent from school Thursday on account of illness.

## WOMANS CLUB

The Pahokee Woman's Club held its regular business and social meeting Monday afternoon in the club building at 3:30 o'clock. Mrs. A. Hansen, president, presided over the business session which preceded the social hour.

A proposed addition to the club building which will be used for a kitchen was discussed and the following committee was appointed to secure estimates: Mrs. J. R. Poland, chairman, Mrs. Charles Moran and Miss Lois Barfield.

The federation meeting to be held in Clewiston Tuesday, December 9, was announced and the president urged that all members who could possibly do so attend. The club voted to donate the use of the club building to Miss Elizabeth Howell, county nurse, for the purpose of conducting a class in hygiene for the Pahokee high school girls.

Announcement was made that Mrs. C. A. Miles, of the state conservation department, would give an illustrated lecture on "Conservation of Forest and Wild Flowers of Florida," Tuesday, December 9, at 2:30 in the school auditorium. She will address the school pupils and others interested in conservation. Mrs. J. R. York, Mrs. V. C. Denton, Mrs. J. Q. Henry and Mrs. R. J. Schroeder were appointed as a welcome committee to arrange for the entertainment of Mrs. Miles while in Pahokee.

A social hour followed in which vocal selections by the club society, Mrs. Lucille Williams, Mrs. K. Lutz, Mrs. B. G. Barwick, Mrs. J. W. Cochran, Mrs. D. F. Fields, and Miss Myrtle Armstrong with Mrs. H. Ralston at the piano, were enjoyed. A delicious dessert course consisting of cake, hot chocolate and whipped cream was served by the committee in charge of conservation.

Those present were Mesdames B. G. Barwick, Lucille Williams,

A. J. Hughes, Charles Kerr, F. D. Piesky, Z. W. Cochran, J. F. Hudson, W. H. Ralston, S. A. Barfield, J. Q. Henry, V. C. Denton, J. R. York, A. Hansen, J. R. Poland, R. J. Schroeder, K. Lutz, Miss Myrtle Armstrong and Miss Lois Barfield.

### CHURCH NOTICE

#Pahokee Methodist Church  
• Joe A. Tolle, Pastor.

The Rev. Smith Hardin, presiding elder of the Miami district of the Methodist church will be in Pahokee Sunday and will preach at the Pahokee Methodist church at the 11 o'clock hour. We extend a most cordial invitation to all to come and hear Brother Hardin. Following the sermon Sunday morning Brother Hardin will hold a quarterly conference session.

Sunday school, 10 o'clock with Superintendent O. B. McClure in charge. We are expecting another record-breaking attendance at Sunday school next Sunday. Come and be one of the number. Junior League next Sunday afternoon at 3:30. Mrs. Joe A. Tolle in charge.

Senior League, 6:30 p. m. DeLeon Parker, leader. Evening worship, 7:30 p. m. Sermon by pastor.

Prayer meeting Wednesday evening at 7:30 o'clock. The Senior League will have charge of the prayer service as the pastor will be in Lakeland attending the annual conference of the church.

Mr. and Mrs. J. A. Tolle and daughter Betty Jo and E. Bishop motored to Orlando Thursday after the football game in Lake Worth.

## MARRIAGE ANNOUNCED

Mrs. M. Thompson of Pahokee announces the marriage of her daughter, Mary Ethel, to Clyde W. Crosby of Clewiston. The marriage was solemnized in Moore Haven, Sunday, November 2. The attendants were Miss Lois Parlow of Fort Payne, Ala., and Clarence Maxwell of Pahokee. The bride was accordingly gowned in blue chiffon with matching accessories. Miss Parlow was dressed in shades of brown with beige accessories. The couple are now at home to their many friends in Clewiston.

# BOARD CALLS ON BONDHOLDERS TO TAKE GUIDANCE

Continued from Page One

"I am glad that you study this report and that you are all in agreement," said Mr. Boree, president of the board. "The board has no intention of seeking to avoid payment of any part of the District's debts, and re-affirmed the intention of the Board to pay the debt in full."

"We further stated that the Board would request the advice and cooperation of the bondholders or their representatives in the making of plans for meeting the District's obligations."

"No definite action was taken at the meeting. The bondholders indicated that they will confer among themselves and will advise the District of the course which they wish to follow."

"Respectfully submitted," "F. C. ELLIOT," "W. I. EVANS,"

On the basis of that report, the following resolution was adopted by the drainage board:

**RESOLUTIONS**

"Whereas, On January 1, 1931, the requirements of principal and interest upon the bonds are beyond the probable ability of the District to pay and suggested that the bondholders and the District should immediately begin to formulate a program which will contemplate the refunding of all of the outstanding bonds upon a basis within the probable abilities of the District to meet. We assured the bondholders that the Board has no intention of seeking to avoid payment of any part of the District's debts, and re-affirmed the intention of the Board to pay the debt in full."

"We further stated that the Board would request the advice and cooperation of the bondholders or their representatives in the making of plans for meeting the District's obligations."

"No definite action was taken at the meeting. The bondholders indicated that they will confer among themselves and will advise the District of the course which they wish to follow."

"Respectfully submitted," "F. C. ELLIOT," "W. I. EVANS,"

On the basis of that report, the following resolution was adopted by the drainage board:

**RESOLUTIONS**

"Whereas, On January 1, 1931,

there will become due \$100,000.00 of principal and \$268,000.00 of interest upon account of the outstanding bonds of Everglades Drainage District; and

"Whereas, Because of greatly below normal tax collections by the District, due to economic conditions generally prevailing, this bond is without funds with which to pay the principal and interest and will not be able to pay the same on January 1, 1931; and

"Whereas, This Board has heretofore borrowed money with which to meet principal and interest requirements of said bonds and now exhausted its borrowing capacity and has no assets which it may pledge for the purpose of securing further credit; and

"Whereas, The Board is further of the opinion that the amount of money required to be paid annually for principal and interest upon account of said bonds during the year 1931 and subsequent years is greater than the District will be able to provide funds to pay and that therefore the outstanding bonds of the District should be refunded upon some basis which will allow the District a longer period of time within which to pay said bonds; and

"Whereas, All the holders of bonds whose names and addresses it has been possible to ascertain have been apprised of the District's financial condition, and have been invited to cooperate in the formulation of plans which will result in the ultimate payment in full of the District's obligations, principal and interest; now, therefore,

"Be It Resolved by the Board of Commissioners of Everglades Drainage District:

"1. That this Board does now reaffirm the legal and moral obligation of Everglades Drainage District to pay in full, principal and interest, all of the outstanding debts of said District.

"2. That this Board does pledge its best efforts in the conduct of the District's business and in the conservation and application of the District's resources to the payment of said debts.

"3. That the Board would welcome the advice and cooperation of the landowners and taxpayers of the District, and of the bondholders, and other creditors, or their representatives to the end that an early and sound solution may be had of the District's financial problem.

"4. That in the opinion of this Board it would be for the best interests of the District if the bondholders should organize and elect a plan, but cannot even keep up the old debts, which had not been too burdensome for five preceding state administrations to handle.

Atlanta is a good market for Florida map beans. In the 1929-30 season the city used 103 cars from this state and only 28 cars from all other sections.

## FACTIONS VIEW BOND DEFAULT

Politics Colors Comment on Drainage Bonds Uncertain Policy

The opposing views of the organs of two political factions in Miami on the action of the drainage board are given in the editorial of the Miami Herald and the Miami Daily News which are printed below. Both of the views are fairly right and partly wrong; each is colored by the attitude of the papers on local controversies:

### THE "WONDER BOARD" FAILS

The Miami Herald.

The announcement from Jacksonville Saturday that the present commissioners of Everglades drainage district have failed in their administration of the affairs of that district and have thrown up the sponge, only admits publicly what those in touch with the situation have foreseen for a long time.

But at least seven members of the drainage board went even further; they virtually served official notice that as far as they are concerned, nothing more will be done in this administration to better the situation one way or another. They accomplished this master stroke of procrastination by rejecting an appeal for formulation of future policy submitted by D. Graham Copeland, member from Collier county.

Now let us see where we are. Dade, Broward and Palm Beach counties on the east coast were most deeply affected by this failure, for they hold the bulk of the best lands and are called upon for the most part to pay the taxes, therefore, to get a true perspective of the case and attempt to proceed along development lines without the state drainage board.

This board, as is generally known, is made up of five state officials and five local members. With one of two exceptions, these are the men who, with their friends, killed the Martin bond issue, which would have put the Everglades on a firm basis of future development. They are the "wonder boys" who said they could drain the Everglades with a plan. Give us, they said in 1927 and 1928, a plan and the money will come rolling in. Saturday they admitted they not only cannot produce a plan, but cannot even keep up the old debts, which had not been too burdensome for five preceding state administrations to handle.

There is not enough money being paid in taxes to care for the interest and sinking fund on \$10,000,000 in bonds, from counties having an assessed valuation of \$134,000,000. So long as the present inactive policy prevails, fewer and fewer landowners will pay taxes. It is authoritatively stated that the state itself, owner of 800,000 acres in the district, will not be able much longer to pay its taxes, because of depletion of the internal improvement fund by the present trustees.

This means either that the bondholders can ask for a receivership and place a business administration in force in the Everglades, reclaiming the best lands first, or that the bondholders can assume an unofficial dictatorship and administer the affairs of the district, advancing money where needed residently, but at a few "irreconcilables" of the old drug to be an improvement over the old body composed entirely of state officials at Tallahassee, even though the enlarged force enough to put them in effect, takes office in Tallahassee.

The Everglades is no worse off today than it has been for the last two years. Perhaps if this inability to handle a big responsibility had been admitted a year ago, the state would have saved some money and the bondholders might have had the advantage of a year. But at any rate, the admission is made, the "wonder board" has been forced on public record as favoring only a do-nothing policy, and all the landowners can sit back and refuse to pay any more taxes until they are given some assurance that the partially completed major drainage works of the Everglades will be finished.

Now, of course, much of the best land will be picked up at tax sale by those who have the vision to see far enough ahead. Whether the members of the board had this in mind when they jetted to the district or not is immaterial. The fact remains that millions of acres of Everglades land can be bought for a song at tax sales in the next year or so, and after a couple of years, when stronger men take charge of the Everglades, those investors will find themselves in possession of land worth from \$1,000 to \$1,500 per acre for which they paid only \$3 or \$10.

The sad part of it is that the state itself, helpless to pay taxes on its own land, will lose the best portion of nearly 1,000,000 acres, unless the next legislature does something to safeguard these possessions, the major asset of the public schools and the internal improvement fund.

We must now see how the bondholders feel about this. Many of them will be shocked at the recent announcement for up to this time the members of the drainage board have practically assured them by statement and letter that everything was going along in good shape. Until the counties of the district know what the bondholders are willing to do, whether they will insist on a receiver or on themselves with official supervision, no more plans can be made.

The sad fact remains, that through the ineptness of the state drainage board as now constituted, and the ineptness of the political parties which actually elected those who thwarted the Martin bond issue of 1927, the holders of \$10,000,000 in bonds practically "own" the Everglades, or at least have an unshakable lien on counties assessed even in these days of low valuation at \$134,000,000.

## EVERGLADES TAXES

Miami Daily News

There is general regret that economic conditions have made it impossible for the board of commissioners of the Everglades drainage district to meet interest and principal payments becoming due Jan. 1, 1931, and as expected, the board's opponents blame only the officials.

The frankness of these commissioners, however, in stating the situation clearly and promptly, and affirming their responsibility to pay as soon as possible and conferring with bondholders in advance of payment time, is commendable and must be encouraging to their creditors.

Conditions responsible for the low percentage of tax collections certainly are not peculiar to the drainage district, they are nationwide.

The personnel of the board, with the exception of one or two, is conceded by all but a few "irreconcilables" of the old drug to be an improvement over the old body composed entirely of state officials at Tallahassee, even though the enlarged

group may be somewhat unwieldy. It has labored under an archaic tax system and under the handicap of severe economic depression.

Those sincerely interested in Everglades development will be little impressed with attempts to throw the blame for a default on the personnel of the board. They will see in present conditions as set forth plainly in the fact remains that the need for corrective legislation to give the board a fair chance.

We may thank the board for awakening the public to the real needs instead of seeking to cover them up.

In any event, the taxpayers will be glad that the Martin \$20,000,000 bond issue, which would have multiplied their present insupportable burden many times, did not go through at the former governor's private sale and that there are direct representatives of the district in the council at this critical time.

## SECOND DRAG-LINE AT INDIAN PRAIRIE

A second Bucyrus dragline excavating machine has been put on the Indian Prairie road construction job by F. A. McKenzie, the contractor. The second machine was shipped to Okeechobee and transferred to a barge and towed through Taylor creek and the lake to the road locality between Lakeport and Kissimmee river.

## CHEVROLET SALES SHOW BETTER TIMES

DETROIT, Dec. 3.—Pointed indications of a resumption of buying interest throughout the nation are manifest here today in hundreds of reports on file at the home office of the Chevrolet Motor Company revealing that the early days of the national showing had only one parallel in the history of the company.

To meet the needs of dealers, the manufacturing organization consisting of twenty domestic plants is working on a tentative production schedule for the month

## marked buying enthusiasm displayed.

The resumption of the new car received throughout the country lent substance to the statements of Chevrolet officials that business conditions during the year were due primarily to a "buyer's strike" and that an upward trend is imminent. To lend impetus to this move, Chevrolet advanced by several weeks the date for the announcement of new models, and thus insured extraordinary activity during two normally dull months for the thousands of people directly dependent upon the company for a livelihood.

The price reduction, coupled with the increased size and improvements, attracted to dealers showrooms crowds estimated as second only to the attendance during the early showing of the new six at the time of the changeover from the four-cylinder car in 1928. Many points reported a greater number of appraisals than in any previous year, and when the tabulation of orders now being made is completed, the mark for the first fifteen days is expected to compare favorably with any similar period during a normal year.

A particularly significant feature of the reporting, according to H. J. Klenger, vice president and general sales manager, reveal that public interest shown in the new car is not confined to any one section, but seems general across the country. Not only in the larger centers but in the smaller communities, dealer showrooms were crowded for several days, and

To lend impetus to this move, Chevrolet advanced by several weeks the date for the announcement of new models, and thus insured extraordinary activity during two normally dull months for the thousands of people directly dependent upon the company for a livelihood.

The price reduction, coupled with the increased size and improvements, attracted to dealers showrooms crowds estimated as second only to the attendance during the early showing of the new six at the time of the changeover from the four-cylinder car in 1928. Many points reported a greater number of appraisals than in any previous year, and when the tabulation of orders now being made is completed, the mark for the first fifteen days is expected to compare favorably with any similar period during a normal year.

A particularly significant feature of the reporting, according to H. J. Klenger, vice president and general sales manager, reveal that public interest shown in the new car is not confined to any one section, but seems general across the country. Not only in the larger centers but in the smaller communities, dealer showrooms were crowded for several days, and

# You can have Springtime production the year round

STAF-O-LIFE Starter, Growing and Laying Mash are Conveniently Packed in 8 1/2, 25, 50 and 100-lb. Bags

IN the spring and early summer your hens, aided by nature, reach a high point in production. Even the loafers get on a laying spree.

But don't make the costly mistake of letting your hens shift for themselves. If you do not give them sufficient protein and mineral matter in their feed now, they will lay themselves out by hot weather—go into a false moult and probably won't lay again until the following spring.

The secret of springtime egg production the year 'round is Staf-O-Life Laying Mash every day. Staf-O-Life Laying Mash keeps the body replenished during heavy laying, gets the layer through the moult quickly and back on the egg making job when egg prices are soaring.

At leading feed dealers everywhere

For Egg Production Next Fall—STAF-O-LIFE Laying Mash Now!

## SOUTH BAY

Mrs. H. C. Willis is reported to be ill at her home.

Vance Denton of Pahokee spent his Thanksgiving vacation visiting his grandparents, Mr. and Mrs. J. H. Templeton.

Attorney E. Harris Drew, Buster Willis and R. O. Robbins of West Palm Beach drove out Wednesday and spent the afternoon harvesting ducks for their respective Thanksgiving dinner.

Mr. and Mrs. Tatum Brothers of Lake Worth, accompanied by a representative of Sauer Commission Company of New York, was in South Bay one day last week looking up business for the Sauer house in this vicinity. They indicated that a representative would be kept here during the season.

W. C. Allen and family spent Thanksgiving day and Friday in Miami and vicinity visiting and shopping.

Mrs. Ludwig Franz, mother of Frank Franz, has arrived from her former home in Canada and will make her future home here with her son and family.

D. H. Walker and family spent Thanksgiving at the Will Elison home.

The South Bay Bridge Club was entertained Thursday evening at the home of Mr. and Mrs. George Alberts. At the close of the game the hostess served an oyster stew.

Miss Evelyn Graham of West Palm Beach spent last week visiting in the home of Mr. C. Allen.

Mr. and Mrs. R. G. Fisher, Mr. and Mrs. W. H. Fowler, Mr. and Mrs. E. E. Forbes, Mr. and Mrs. F. W. Mutchler, Mr. and Mrs. C. E. Forbes, Mr. and Mrs. Murray Gay, Mr. and Mrs. O. B. Steele.

Mr. and Mrs. V. C. Denton and family of Pahokee took Thanksgiving dinner with Mrs. Denton's parents, Mr. and Mrs. J. M. Templeton.

Charles and Harold Withers spent the week end at their hunting lodge in South Bay, taking general trips out of the lake in search of ducks and report the ducks flying in numbers and shooting exceptionally good.

Mrs. Daphne class of junior girls belonging to the community Sunday school are filling a box to send to the orphanage Mrs. George Alberts. The young ladies spent a day of their vacation selling homemade candy in order to raise the necessary postage to send off their gift.

Mr. and Mrs. Will Dechman of Sebring Farms were callers in South Bay on Monday.

There was no frost this vicinity during recent cold weather, though crops have been damaged by high, cold winds. The rain on Monday afternoon was very beneficial to crops and has replenished the drinking water supply which was getting low.

A negro named Nelson, belonging to the Southern Sugar Company, ran amuck Thursday afternoon and slashed another colored man severely with a knife. George Royal, manager of the commissary, while awaiting the arrival of Deputy Sheriff R. C. Fisher, undertook to search Nelson for concealed weapons. Nelson drew a revolver and fired at the officer. Mr. Royal drew his gun and fired but the negro could make the second attempt, killing him instantly. Deputy Fisher arrived shortly and took charge of the affair.

Mary Grace, small daughter of Mr. and Mrs. Fernan Denton, was quite ill at her home last week.

Mr. and Mrs. V. C. Denton attended the tennis tournament in Belle Glade on Sunday, driving over to South Bay later for a visit with relatives and friends.

The South Bays enjoyed their Thanksgiving holiday which started Wednesday afternoon and ended Monday morning. Mrs. M. E. Clemens and son Junior went home with Miss Vahey for a visit with the latter's parents at Port Richey, remaining during the entire vacation. Mr. and Mrs. P. B. Nance spent Thanksgiving day in West Palm Beach and the remainder of their vacation at home.

## BELLE GLADE

Mr. and Mrs. B. O. Franklin of Pahokee were our next visitors at the A. M. Webster home Monday.

Mr. and Mrs. E. T. Hall and son Rayford motored to Stuart to spend Thanksgiving with the former's parents, Mr. and Mrs. L. H. Hall. Rayford remained with his grandparents for a longer visit.

Mrs. and Mrs. A. A. Kirchman were dinner guests of Mr. and Mrs. Dewey Dixon last Thursday.

Mrs. Fritz Stein and Mrs. Joe Cherry went to Miami Thursday, remaining until Sunday.

Mr. and Mrs. S. E. Campbell of South Bay were Thanksgiving guests of Mr. and Mrs. W. M. Miller.

Mr. and Mrs. Will R. Smith ate turkey dinner with Mr. and Mrs. Brady Smith at Brown Farms Thanksgiving day and the same evening enjoyed a second turkey dinner at the Will R. Smith home.

Mrs. Margaret Templeton of South Bay called upon Mrs. J. R. Hoch Friday.

W. C. and N. A. Reeder joined a family reunion in West Palm Beach Thursday.

R. Gordon, P. T. Livingston and Thomas D. Evans spent Thursday in West Palm Beach.

Mrs. Margaret Beader, Mrs. A. A. Kirchman, Fred Aunapu and baby and Wilhelmina and Justina Bousant spent Friday shopping in West Palm Beach.

The Belle Glade Club is enjoying the use of a piano, which just arrived.

Mr. and Mrs. W. W. Miller and S. M. Sprout ate dinner with Mr. E. C. Lutz Sunday.

A six-reel motion picture entitled "The New Discipline" based on the late Woodrow Wilson's book, "The New Freedom," will be presented at the city hall Sunday night and again Tuesday night.

This picture was shown at one of the large churches in Miami last Sunday night and met with marked approval.

Mr. and Mrs. M. C. Eggleston made a business trip to West Palm Beach Tuesday.

R. Gordon and J. Mulberry and son Victor were guests of Mr. and Mrs. Harold Littman of Canal Point Saturday.

Mrs. C. B. Lozier was hostess to the Tuesday Bridge Club this week when the following members played: Mesdames D. T. Walters, L. T. Creech, Jr., P. C. Keese, E. M. Brown, F. L. Rutledge, J. F. Smith, George Woodard, Allen Greer, H. C. Alston and C. B. Lozier.

Guests of the week were: Mesdames J. F. Browne, Gus Roberts and Earl Carter. Mrs. P. C. Keese won top score and Mrs. George Woodard second and the guest's prize was awarded to Mrs. G. Roberts. At the close to the game ice cream, cake and coffee were served by the hostess.

Alvin Kirchman made a business trip to Pahokee Monday.

R. Gordon left Monday for Sumner, S. C., expecting to return Friday. P. T. Livingston accompanied him.

Mrs. Harry Mitchell of South Bay called upon Mrs. Lee Rawls Tuesday.

Miss Betty Dunbar of West Palm Beach is a guest of her sister, Mrs. George Woodard.

H. L. Douglas and Joe Livingston made a business trip to Deerfield Monday.

Feed Aunapu and Dick LePils went to Torrey Island Friday, where they found that the water has gone down sufficiently to permit them to cultivate a few acres.

Mrs. Ray E. Lee and son, Kenneth, returned Sunday from a week's visit with Mr. and Mrs. Raymond Lee at Wauchula. Mrs. Lee's sister, Miss Rose Lee Lynn, accompanied her home to make their visit.

Mrs. J. R. Hoch entertained her Sunday school classes of South Bay and Belle Glade with a wicker and marshmallow roast Wednesday night at the school ground in South Bay. A variety of outdoor games furnished the entertainment.

Mr. and Mrs. B. B. Rawls and family of Nashville, Tenn., have come to Belle Glade to make their home.

Ernest B. Talley accompanied them.

T. E. Turner of Tampa, a cousin of E. W. Stallings, was a guest of his relatives.

Fred O'Brien and Dr. C. F. Hunter of Miami are guests at the Glades hotel.

Julius Dingfelder of Sanford came in Tuesday to spend a few days.

Mrs. P. C. Keese, Mrs. K. C. Alston and Mrs. L. T. Creech spent Saturday shopping in West Palm Beach.

Miss Bertie McEwen spent the Thanksgiving holiday with her parents, Mr. and Mrs. J. P. McEwen. They motored to Lake Worth Sunday afternoon to take her back.

Dr. and Mrs. Wm. J. Buck plan to attend the football game at Jacksonville Friday.

Dewey Dixon is unable to be at his place of business because of illness.

Maurice Oliphant is a new employee at White's service station.

Mrs. E. M. McLennan and children plan to leave this week for Miami where they will remain until after the holidays, with the former's mother, Mrs. F. H. Shepherd.

Mrs. W. E. Carruth and daughter Zelma Tene made a business trip to West Palm Beach Tuesday.

Black Glass of Lake Worth, Mrs. M. is the new barber at Mack's shop.

Mrs. Bertha Pemberton, who has spent several weeks with her son Frank Lockmiller and family of South Bay, returned Tuesday to visit her daughter, Mrs. L. C. Betner.

C. E. Reidel & Sons who now have the agency for the new car, have just received their new shipment and have them on display. This is the first line of cars ever shipped to Belle Glade.

Plate glass windows are being installed in the Greer building occupied by the Hardware Store and the Glades Supply Company. This will be a marked improvement.

The furnishing 10x12 display space on each side of the front.

A number of duck hunting and fishing parties in this vicinity report good success of late.

The Belle Glade school presented interesting programs the day before Thanksgiving and were gratified by the large attendance of parents and patrons. Those present were: Mesdames Pearl Teague, Joe Cherry, J. Morris, C. O. Webster, Mr. and Mrs. E. Cooper, Mrs. George Rawls, Mrs. T. LePier, Mrs. Hooker, Mrs. C. Hardman, Mrs. Ralph Cherry, Mrs. Dewey Dixon, Mrs. J. A. Aly, Rev. and Mrs. H. Hoch.

Local men who have been donating labor on the parsonage this week are: E. C. Lutz, C. E. Reidel, S. D. Sprout, W. W. Miller, W. H. Swango and E. Campbell. They plan to have it ready for the plaster by the first of the week.

Mrs. J. R. Hoch was a dinner guest of Mrs. W. H. Rawle of the South Bay Tuesday and attended the Ladies Aid in the afternoon.

Community Church Services at Belle Glade Church Parsonage, Sunday school, 9:45 a. m. Worship, 11 a. m. Evening service at City Hall at 8 p. m. with the picture "The New Discipline".

Remember the chicken dinner and bazaar to be held Saturday, December 13, at the C. E. Reidel building.

Some two weeks ago Harry Marshall and wife arrived here in their car from Illinois. The young couple is occupying the Muthersbaugh residence during their stay. Harry has spent several trapping seasons here.

A party of duck hunters, well equipped with boat and other hunting paraphernalia, motored to the advantage of the trail (Belle Glade) recently. These hunters were disappointed—really sore—because this vicinity had recovered from a six month inundation and settlers were actually beginning to till the soil. It seems hard to please everybody.

Frank Masters of the Little and some of South Bay residents have been disappointed by the northwesterly winds by opening the lock and shoving across upon acres of hyacinths into the current of the canal. For several days they passed by here on their way to the ocean.

The crew of road workers that has been intermittently employed in clearing the highway of brush and weeds has reached the south line of the townsite.

V. W. Roth was a dinner guest of the Anjuna family on Thanksgiving day.

The thermometer registered 42 during the three coldest nights of the last two weeks.

The majority of our able bodied population was kept busy on Thanksgiving day salvaging the farm machinery—tractor, plow, disc, etc., belonging to the Andersons, which were on the sunken barge in the Belle canal, having been moved from section 6 the day before.

The covets entertained during a part of Thanksgiving week, Mr. and Mrs. Andrae and her daughter, Elizabeth; also Mr. Fred Nunally. The party returned to Miami last Friday.

The rain of Monday afternoon was quite welcome.

Florida leads all states in the quantity of snap beans. In 1929 this state led 4188 cars out of a total of 9550 cars from 28 states.

S. D. Sprout, W. W. Miller, W. H. Swango and E. Campbell. They plan to have it ready for the plaster by the first of the week.

S. D. Sprout, W. W. Miller, W. H. Swango and E. Campbell. They plan to have it ready for the plaster by the first of the week.

Mrs. J. R. Hoch was a dinner guest of Mrs. W. H. Rawle of the South Bay Tuesday and attended the Ladies Aid in the afternoon.

Community Church Services at Belle Glade Church Parsonage, Sunday school, 9:45 a. m. Worship, 11 a. m. Evening service at City Hall at 8 p. m. with the picture "The New Discipline".

Remember the chicken dinner and bazaar to be held Saturday, December 13, at the C. E. Reidel building.

Some two weeks ago Harry Marshall and wife arrived here in their car from Illinois. The young couple is occupying the Muthersbaugh residence during their stay. Harry has spent several trapping seasons here.

A party of duck hunters, well equipped with boat and other hunting paraphernalia, motored to the advantage of the trail (Belle Glade) recently. These hunters were disappointed—really sore—because this vicinity had recovered from a six month inundation and settlers were actually beginning to till the soil. It seems hard to please everybody.

Frank Masters of the Little and some of South Bay residents have been disappointed by the northwesterly winds by opening the lock and shoving across upon acres of hyacinths into the current of the canal. For several days they passed by here on their way to the ocean.

The crew of road workers that has been intermittently employed in clearing the highway of brush and weeds has reached the south line of the townsite.

V. W. Roth was a dinner guest of the Anjuna family on Thanksgiving day.

The thermometer registered 42 during the three coldest nights of the last two weeks.

The majority of our able bodied population was kept busy on Thanksgiving day salvaging the farm machinery—tractor, plow, disc, etc., belonging to the Andersons, which were on the sunken barge in the Belle canal, having been moved from section 6 the day before.

The covets entertained during a part of Thanksgiving week, Mr. and Mrs. Andrae and her daughter, Elizabeth; also Mr. Fred Nunally. The party returned to Miami last Friday.

The rain of Monday afternoon was quite welcome.

Florida leads all states in the quantity of snap beans. In 1929 this state led 4188 cars out of a total of 9550 cars from 28 states.

## UNION SERVICES ON THANKSGIVING DAY

SOUTH BAY, Dec. 2.—The South Bay and Belle Glade community churches held a union Thanksgiving service at the school auditorium in South Bay. The Rev. Daniel Stewart, member of the Ministerial Alliance of West Palm Beach, who is engaged in substitute work for the various pastors made the address of the evening on an appropriate Thanksgiving subject. A mixed chorus composed of members from both churches rendered special music and led the congregational singing. A special collection was taken for the use of the needy.

SOUTH BAY YOUTHS HAVE BEACH PARTY

SOUTH BAY, Dec. 3.—A Jolly group of young people from South Bay and Belle Glade enjoyed a hay-ride to Lake Worth beach Wednesday evening where they had a beach party with appropriate eats. Those making the trip were Genevieve Brown, Edith Willis, Alice Willis, Gideon Brown, Jack Forbes, Floyd Royal, Charles Tryon, Betty Willis, Lottie Lee Stuart, Bonnie Parker, Lynn Taylor, T. W. Stone, Louis Barker, Louis Solomonte, Nettie Shaples, Taylor Gravelly, Hoy Young, Frances Baker, Mr. and Mrs. Charles Taylor, Gene Eberhardt and Mr. Webb.
